

Y5 and Y6 RE Learning  
**Pentecost and the Power of the Holy Spirit**

***In this session you will:***

- ***understand what happened at Pentecost***
- ***reflect on how the Spirit transformed the Apostles***

**1. Read Acts 2: 1-42 and try to understand what was happening.**

When people started making fun of the Apostles, Peter stood up and spoke to the people. He reminded them that God had sent Jesus to them and they knew he was God’s son by the signs and miracles that he worked. Despite this, the people had allowed Jesus to be crucified; Jesus was killed but God raised him to life. He told them that Jesus, who is now with the Father, had sent the Holy Spirit to them.

**2. Write a news article for the Jerusalem Daily, reporting what happened.**

You should use the following writing frame to help you write:

Headline	<i>This should be eye catching and make people want to read. For example: 3000 baptised into new faith! Nazarene followed dazzle Pentecost crowds!</i>
Paragraph 1	<i>Summarise the story in one sentence using the 4 w’s What happened? Who did it happen to?, When did it happen? Where did it happen?</i>
Paragraph 2	<i>Write what happened including more detail this time</i>
Paragraph 3	<i>Write a quote from one of the Apostles which reports how they felt</i>
Paragraph 4	<i>Write a quote from one of the crowd which reports how they felt about what they had witnessed</i>
Paragraph 5	<i>End the piece by stating what people might go and do next</i>
