

In the event of a child needing to self-isolate, class teachers have put together some home learning activities for children to complete.

Key Stage 2

Please use the following websites:

- Times Table Rock Stars
- Oxford Owl – (Book Band Readers)
- My Book Blog (Free Readers)
- Purple Mash Games
- BBC Learning Zone and BBC Bitesize
- Arcademics Free Games
- You tube – brain break dances for kids and Joe Wicks 5 minute workouts

Other activities to do:

- Complete POWER projects.
- Continue to complete weekly maths and grammar homework.
- Read, complete your reading record, and write book reviews for what you have read.
- Sketch items or people in your house, or sketch views from your window.
- Keep a diary or scrapbook.
- Build craft models.
