

This week there will be lots of practice for our Nativity on Friday afternoon. We look forward to seeing you there promptly at 2pm. At the performance, if you can't see where your child is sitting, don't worry you will get to see them at the front of the stage when they perform their dance!

Phonics

For the rest of this term we are not learning any new sounds but instead recapping the sounds from the last 3 weeks. We will also be assessing which sounds the children know and how well they can blend to read so we can plan for the next step after Christmas.

Maths

For the last few weeks of term we are consolidating all that we have learnt in Maths so far. There are fun games here: <https://ictgames.com/mobilePage/eyfs.html> which your child might like to play to practice their Maths skills.

Rainbow challenge

The final day to add evidence to Tapestry for this term's rainbow challenge 'Kindness and Compassion' is 15th December.

Remember all 3 activities need to be completed for children to achieve their pin.

Details of the challenge can be found on Tapestry in the documents section.

PE

PE will take place as usual this Friday. Please send your child in their full PE kit including their white PE t-shirt which they will wear under their Nativity costume.

Extra clothes

If your child is sent home in spare clothing, we kindly ask that these items are returned to us as soon as possible. If your child has outgrown their uniform and it is no longer needed by younger siblings, we would be very grateful for any donations. We are currently running low on boys' trousers and socks.

Thank you for your continued support.
