Year R Newsletter

Last week we began practising for our class assembly and gave everyone a part. We have sent their words home and would appreciate your support helping your child to learn them. Our class assembly is next Friday 5th July at 2.15pm. All parents are invited to attend.

Maths: Number bonds to 10

This next few weeks we will be focusing on making ten by using number bonds. You can support at home by getting ten objects- hide some and ask how many can they see how many are hidden. There are lots of games online which support quick recall of number bonds:

Phonics

For the rest of this term we will be consolidating all the sounds that the children have heard and practising lots of reading and writing.

Rainbow Challenge

The latest rainbow challenge finishes this week. Please upload your evidence to Tapestry by this Friday the 28th June .

Sports Day

Please read Mrs White's detailed email about sport's day to familiarise yourself with the arrangement for this Friday's sports day.

Please Note: Year R take part in 3 field events and leave the field a little earlier than the rest of the infants to rest before being returned to you for their picnic.

During the day please do not come up to the children or distract them, they have worked very hard and need to keep their focus on the adults at school.

We will be encouraging children to cheer everyone on, it doesn't matter who wins or loses as long as everyone tries their best.

New morning arrangements

As mentioned in last week's newsletter, the children will now be coming in to school independently like the rest of the children in school. This is to help them prepare for starting year 1.

Please come in either end gate and leave through the middle gate. Your child can then walk themselves to the gate of the reception garden (near their cloakroom). If you have any messages that your child can not pass on to the adult then please contact the school office.

Book changing

As children do not need their school bags on Friday, red group should bring their reading folders to school on Thursday instead so that their books can be changed. The adults will not have time to do this on Friday.

Thank you for your continued support.
