Year R Newsletter

Last week the children enjoyed finding out more about ladybirds, snails and bees. There was lots of bug hunting in the garden! The children are also enjoying watching our seeds begin to grow. Hopefully we will have more flowers and maybe some vegetables soon!

Phonics

This week and for the first week after half term we will be consolidating the sounds from chapter 3 set 4.

This week we are learning:

Chapter 3 Set 4

Phonics Shed

The children are practising the common exception word from chapter 3. Please help your child to practise these words. They were sent out as a bookmark earlier this school year.

Ch 2

Ch 3

Common Exception Words

the	they
I	he
it's	she
do	we
to	me
into	be
no	my
go	was
so	you
of	are
want	all
	said
	little
	can't

Maths: Sharing and Grouping

This week we will be learning about sharing equally and grouping items. You can support at home by getting your child to notice when things are in groups or by helping your child to share things out eg. setting the table for dinner- sharing out the cutlery etc.

School Uniform

This is the last week when children can wear their winter uniform to school. After the half term all children **must** wear their summer uniform. Details of the uniform can be found here: <https://www.st-anselms.kent.sch.uk/uniform/> Please note that a jumper or cardigan is part of the summer uniform and must be in school at all times. As the weather gets warmer children may be taking off jumpers and cardigans more often- please double check that their name is still inside their items of clothing. We will always do our best to get any mislaid items back to the rightful owner but if there is no name it makes this very difficult.

In sunny weather, we recommend giving your child a sun hat. Again, please make sure that their name is in it!

Ice lollies

As you will have seen from Mrs White's newsletter, ice lollies and jelly snacks are on sale every Monday and Wednesday for 30p. If you would like your child to have something from the school shop then their money must be in a named envelope stating what they would like. Money not sent in this way will be returned.

Thank you for your continued support and have a lovely half term.
