Year R Newsletter

Another term has passed by very quickly! The children are becoming more confident in all areas and we are particularly pleased with how well their reading is coming on. Thank you all for your support at home.

It was lovely to speak with so many of you on our parent's consultations- as always if you have any questions or concerns please do let me know. You can contact me through the school office.

Maths– writing numbers

This week we will be revising how to write numbers 0 to 10. I have taught the children some rhymes to help them remember the trickier numbers as outlined below. You may like to use them at home.

| | |
|---|---|
| 2 | Half a heart says I love you, now draw a line and it's a two! |
| 3 | Around a tree, around a tree. |
| 4 | Down and across and down once more, now we have the number four. |
| 5 | It has a hat, abck and belly. Five is alive! |
| 6 | Down you go and draw a loop, number six has a hoop |
| 7 | Across the sky and down from heaven, now you have a number seven. |
| 8 | Draw a 's' and close the gate, now you have a number eight. |
| 9 | Draw a loop and then a line, now you have a number nine. |
