Year R Newsletter

Last week, we took part in the RSPB's big schools birdwatch. The children counted any birds that they could see. They began recognising starlings, pigeons and seagulls!

We also learned the story of 'We're going on a bear hunt'. The children acted it out, created story maps and retold it. This week they will create their own 'bear hunt' style stories.

Maths– Growing 6,7,8

This week the children will be learning about pairs and looking at patterns for odd and even numbers. You can support at home by giving the children items to put in pairs (socks work well). Take one away that doesn't make a pair and call this odd. Show when you put the pairs together in lines there is one on its own and draw attention to the pattern this makes.

Phonics

This week we will be revising all the letter names and beginning to learn about alphabetical order.

We hope that you all have a lovely half term next week. Remember it is staff Inset on Monday 19th February- children return to school on Tuesday February 20th.

Thank you for your continued support.
