

Year R Newsletter

Last week, when we explored the story Lost in the Snow, the children predicted what might happen next to Ollie the puppy. Perhaps when you are reading a story to your child this week, stop the book and get your child to use the clues so far to say what might happen so that they are practising the skill.

Maths– Mass and Capacity

In school we will be using balance scales to compare the mass of different objects. We will also be weighing them by counting how many cubes it takes to balance. At home try to get children to use the words heavier and lighter when comparing objects.

Phonics

SELF-APPRECIATION AND MUTUAL RESPECT

Self-appreciation is about knowing and understanding our own strengths and limitations, accepting and respecting yourself for who we are, celebrating our uniqueness.

Mutual respect is understanding that we all don't share the same beliefs and values. Respecting the values, ideas and beliefs of others whilst not imposing our own on others.

YR	
Celebrating ourselves	Say what makes you unique.
Visits	Visit the local library to read a book
Food	Enjoy food from your own culture and say why you like it
Praying	Say a prayer thanking God for making you.

Mrs White has set the children a challenge as set out here. The challenge is optional but if your child would like to take part, to earn a rainbow pin, then they need to complete the 4 activities.

Evidence can be added to Tapestry in the following way.

Make a new observation for your child on Tapestry with the title Self-Appreciation and Mutual Respect. Please add evidence for all 4 challenges to the **same** observation; this can take the form of photos and videos.

You have until 9th February to upload your evidence. All 4 parts of the challenge must be completed to earn the pin.

Children can buy things from the school shop on Mondays and Wednesdays. If your child is allowed to buy something then please put the money in an envelope with their name and what they are allowed to buy written on it.
