

6.11.2023

Reception Newsletter

Last week, we began our Autumn topic by discussing what has changed this season. Our plans for an Autumn walk were put on hold due to the weather so we looked at pictures and videos instead. If you go on any autumn walks please do add observations to Tapestry.

Infant Nativity

You will have seen from Mrs White's newsletters that the Infant Nativity takes place on Friday 8th December. This usually takes place around 1.30pm/1.45pm. If the children require anything to wear for the performance I will let you know in the next week or two.

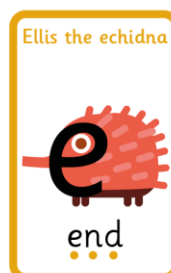

Maths– It's Me 1,2,3

This week, we are looking at different ways of showing 1,2 and 3. Ask your child to draw you a number of dots/objects/pictures. Ask them questions like- 'How many will you have if you draw one more?' What if I hide one, how many now? In class, we will also practise how to write the numbers 1,2 and 3 accurately.

Phonics

This week we are learning:

Chapter 2 Set 4

Phonics Shed

PE

PE will take place every Friday. Children must come to school in their PE tracksuit. Please do not allow children to wear tights under their tracksuits. The children are doing PE on mats where they need to be in bare feet so they will have to remove their socks and trainers.

Coats

There are many children still unable to do up their own zips or buttons on their coats. Please support them with this at home so that they can do it independently.

Thank you for your continued support.
