

Sunflowers' Newsletter

16.11.2020

Dear Parents,

We have had great fun exploring the story of 'Going on a bear hunt.' We will continue the 'Into the Woods' theme this week and create our own stories. We will also be learning more about bears, where they like to live and what they eat.

Reading books

Reading books will be changed on the same day every week.

Please ensure that your child has their folder in school on the correct day as books need to be quarantined for others to use. If your child does not bring their folder in on the correct day then we can not guarantee that their books will be changed that week.

Asia (black group)= Monday
Africa (yellow group)= Tuesday
America (green group)= Wednesday
Europe (blue group)= Thursday

PE kits

Remember, PE kits need only come to school on Fridays.

Parent Telephone Calls

Just a reminder that all reception parents will be receiving a telephone call either tomorrow or Wednesday evening to discuss how the children have settled into school and the progress that is being made. We look forward to speaking with you.

Maths- It's Me 1,2,3

This week, we will be learning more about shapes focusing on circles and triangles. Can your children find those shapes around the house or on the way home from school? We will also focus on positional language of over, under, behind, on, through, between. You could use this language with your children while they are tidying up, for example 'Put your coat on the hook.' 'Put the box under the table.' 'Put that book between this book and that book.'

Phonics

This week, we will be learning the sounds h, sh, r and j.

If you haven't already, look at the video on the RWI website to ensure that you are saying the sounds correctly. The link can be found in the learning tab.

Activity idea: Show your child a set of objects and get them to group them according to their 'sound' eg. Cup, cap/ spoon, salt/ bear, boot.

Thank you for your support,
Mrs Munday and Mrs Beckley
