

In this unit, we will design, make and evaluate a puppet to perform a play. We will investigate and evaluate a range of puppets, engage in focused practical tasks learning how to use templates and patterns which will inform our designing and making. We will test and evaluate our puppets, identifying improvements.

Textiles Knowledge:

I will:

- Understand how simple 3-D textile products are made, using a template to create two identical shapes.
- Understand how to join fabrics using different techniques e.g. running stitch, glue, over stitch, stapling.
- Explore different finishing techniques e.g. using painting, fabric crayons, stitching, sequins, buttons and ribbons.
- Know and use technical vocabulary relevant to the project

Techniques:

Skills

I will be able to:

Design:

Make:

Evaluate:

Vocabulary

Technical vocabulary

Names of existing products, joining and finishing techniques, fabrics and components; template, pattern pieces, mark out, join, decorate, finish

Process vocabulary

features, suitable, quality mock-up, design brief, design criteria, make, evaluate, user, purpose, function

Names of tools, equipment and materials used.

Inspiring Individuals
