Sunflowers' Newsletter

Happy New Year! We hope you have had a lovely Christmas holiday. We are looking forward to welcoming the children back to school tomorrow. Make sure they are prepared for what is set to be a cold week! Double check that coats, hats, scarves and gloves are all still labelled and we will do our best to ensure that all items get back to the right child.

Reading books

We will change all reading books next week so that everyone's book gets changed on the correct day. Please refer to the inside of your child's reading record to check which day their reading folder needs to be at school.

From next week your child will begin to get a book with words. This may be a book with single words related to a picture or a 'story' type book. More guidance about supporting your child with their reading will follow in next week's newsletter.

Maths– Alive in 5

This week we will be learning about the number 'zero'. We will be doing lots of songs counting backwards eg. five little speckled frogs. At home, try to use the word zero eg. instead of saying none left say there is zero left.

Phonics

This week we will be consolidating our set 1 sounds and practicing reading words by 'fred' talking (sounding out).

From next week the children will be split in to two groups led by Mrs Munday and Mrs D'Mello to best deliver the next stage of the Phonics programme.

PE

PE will take place as normal this week. Please send PE bags in to school on Friday as normal.

Thank you for your continued support.
