Sunflowers' Newsletter

The children enjoyed learning about Handa's Surprise last week. They drew beautiful pictures of some fruit and enjoyed tasting things like mango, pineapple and papaya.

If you can come to our open afternoon on Friday you will get to see their beautiful drawings and writing.

Reading

Please ensure that your child returns their reading folder on their designated day this week (if you find any other school books at home please send these back too). **No more reading books will be sent home now.** Over the Summer holidays you can access RWI free ebooks by creating an account here <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>. Kent libraries are also running a summer reading challenge which your child can sign up for at your local library. Please keep reading with your child over the summer- they have worked so hard to learn how to read and need to keep practising.

Maths: On the Move

This week we will be focusing on complicated patterns. The children will be making ABBC type patterns and circular patterns, saying what will come next in the pattern. During their play at home ask your child to use their toys to make a repeating pattern eg. teddy, lego block, lego block, book then repeat. Can they notice any repeated patterns around the house- eg. tiles, paintings etc.

Tapestry

Your tapestry accounts will be deactivated at the end of term. You can download your child's learning journal **after 13th July** by following the instructions on this link.

<https://www.youtube.com/watch?v=I4SMTo8B91s>

The instructions are also attached to this newsletter.

Relationship Education: Created to Live in Community

Module 3 of the Live Life to the full programme introduces in a very simple way the concept of the Trinity, where God is three-in-one and each part loves the others and loves us. Children will come to understand that as we are made in the image of God, we are designed to love God and love one another in our wider communities too. Through the story of Jesus feeding the 5000 with just the humble offering of a small boy, children will learn that our loving actions can be used by God to do incredible things.

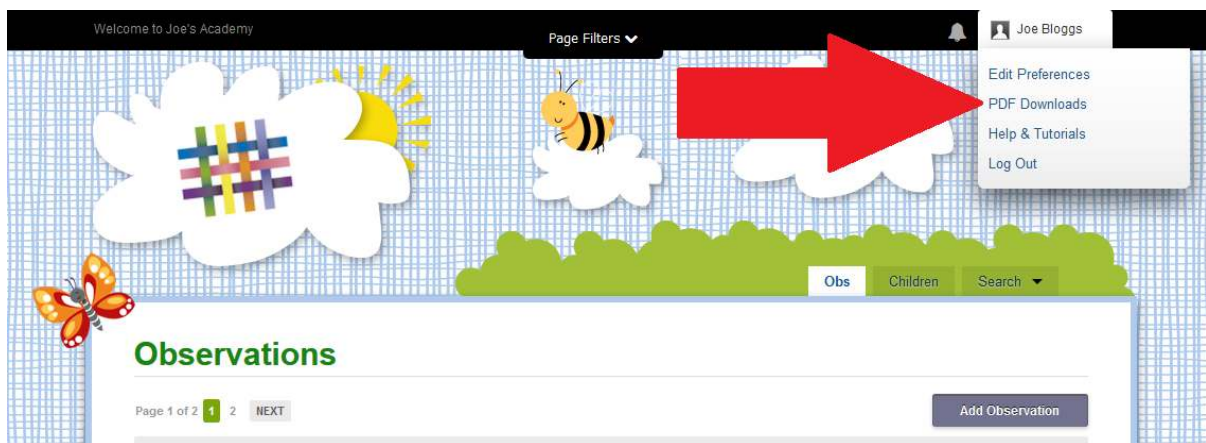

Thank you for your continued support.

This tutorial explains how you can download your child's learning journal as a PDF through Tapestry. Please note that this can only be done when the staff at your child's setting have allowed it, usually at the end of the school year or if your child is moving to a new nursery or school. Downloads are only available for 7 days after being created, so don't delay downloading if it's possible.

Step 1: Log into Tapestry using the web browser version through our login page at <http://eylj.org>

Please note that PDF downloads are NOT available on the app version of Tapestry, and that you may need to download a special app to view PDFs on a mobile or tablet device.

Step 2: Click on your username at the top right of the screen and select 'PDF Downloads' from the dropdown list. If the PDF Downloads option is not visible please contact the staff at your setting for assistance.

Step 3: on the PDF downloads page you should see all downloads you have available. Click the red **Download Now** button to download your PDF. Make sure you save it somewhere safe, and if possible save it to permanent media off your PC, marking it so you will be able to find it in the future. Remember, Tapestry records will usually be deleted once your child has left!
