

Y1 Homework timetable

In year 1, each week children will be set reading, spelling, Numbots and either a grammar or maths piece.

Below is a suggested timetable of how you may wish to structure your child's homework tasks over the week. All tasks are set on a **Monday** and are to be completed by the following **Sunday**. It is recommended that all spelling tasks are completed by Friday as the weekly spelling test will be in school each Friday.

Thank you.
