

## Poles Apart

Y1

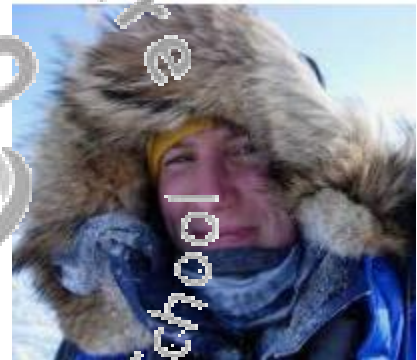

### We will learn:

- The names and locations of the continents.
- The names and locations of the oceans.
- The names and locations of the equator and the Poles.
- Where hot and cold places are in the world.
- Why animals live in different parts of the world.
- About some famous explorers
- What we can do to protect the world from global warming

### We will practise these skills:

Use maps, globes and atlases to name and locate different parts of the world.

### We will learn about significant people such as:

**Felicity Aston**

British Explorer

The first woman to ski across Antarctica alone

### We will use this vocabulary:

North Pole	Arctic
South Pole	Antarctica
Equator	Asia
Atlantic Ocean	America
Pacific Ocean	Europe
Indian Ocean	Australia/Oceania
Arctic Ocean	Africa
Southern Ocean	United Kingdom
weather	global warming
light	explorer
dark	
sunrise	
sunset
