

Sunflowers' Newsletter

19.10.2020

Dear Parents,

This is the last week of the Sunflower's first half term at school. We have had so much fun together. We have loved watching the children exploring the different areas of learning and spending time getting to know each other. Remember, the children will not be at school on Friday as it is a staff training day. They will return to school on the 2nd November.

Phonics

Our sounds for this week are; l n, p and g. Help your child to practise saying the sounds and looking for things beginning with the sound.

Support is available from:

<https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-into-phonics-guide/#sets>

Maths- Just Like Me

This week in maths we are comparing different groups of objects. Why not collect some conkers and leaves, put them in to groups and see which group is biggest? Are there any objects that are the odd one out in a set?

Reading books

After half term, the children will be bringing home 2 reading books. One will be from our reading scheme and the other will be from the school library. In the meantime, enjoy reading books with you child by talking about the pictures, the story and the characters.

Tapestry challenge

Thank you for supporting us with your children's learning by adding pictures and videos to tapestry. Over the half term, we would like you to try to put 2 observations from home on to tapestry. These should show us something that your child can do that perhaps we won't have had the chance to see at school or something they have learnt at school and are trying at home. For example maybe they can recognise some of the sounds we have been learning in their books or they are trying hard to write their name. We also appreciate any comments that you make on our observations made at school.

PE kits

PE kits will not need to return to school until after half term.

Thank you for your support,
Mrs Munday and Mrs Beckley
