

# Geography

## UK

Y2

### We will learn:

- where the UK is on a world map
- the names and locations of the 4 countries of the UK.
- the names and locations of capital cities of the UK
- the names and location of the seas surrounding the UK
- what the weather is like in different seasons of the UK
- how London has changed over time

### We will practise these skills:

- Use maps, globes and atlases
- Make simple observations about key human and physical features
- Use aerial photographs and plan perspectives to recognise landmarks and both human and physical features
- Use simple compass directions (North, South, East, West)

### We will use this vocabulary:

England	climate
Scotland	season
Wales	weather
Northern Ireland	globe
London	atlas
Cardiff	map
Edinburgh	aerial
Belfast	photograph
Irish Sea	bird's eye view
English Channel	capital city
North Sea	country
Atlantic Ocean	

### We will learn about these significant geographical features:

#### **Queen Elizabeth II**

The longest serving monarch in British history, Queen of the United Kingdom and the Commonwealth.

#### **Boris Johnson**

Boris Johnson became Prime Minister of the UK on 24<sup>th</sup> July 2019 and is still serving today.
