## Mapping Y2

### We will learn:

- A map is a drawing of an actual place that uses lines and symbols to represent real-life objects
- A key explains what a symbol shows.

### We will practise these skills:

- Make simple observations about key human and physical features
- Record information on a map/plan or in a chart
- Follow a route on a map
- Draw basic maps using pictures and/ or symbols.
- Begin to draw in bird's eye view.
- Use and construct basic symbols in a key.

### We will use this vocabulary:

map, plan, route, bird's eye view, key, symbols

### We will learn about significant people such as:
