Easter – Jesus goes back to his father in heaven

After Jesus rose from the dead, he visited his disciples a few times to let them know what they needed to do next. He then went back up to heaven to be with his father.

Watch this video clip to show you how this happened

You are now going to make your own model of Jesus going up to heaven. (Instructions on the next page)

You will need:

Paper or card

A paper cup or yoghurt pot

String wool or ribbon

Glue or Sellotape

Scissors

1. Draw and cut out a picture of Jesus (that will fit inside the cup).
2. Draw and cut out 3 clouds.
3. Get a grown-up to make a hole in the bottom of the cup.
4. Thread the string through the hole in the cup.
5. Glue one cloud to the top end of the string.
6. Glue Jesus to the bottom end of the string.
7. Glue the other 2 clouds onto the cup.

Now you should be able to show Jesus ascending up to heaven by pulling the cloud upwards.

→Please take a photo or video of your model and upload it to tapestry.
