

Geography

Mapping Y3

We will practise these skills:

- Follow a route on a map with some accuracy
- Try to make a map of a short route, with features in correct order using bird's eye view.
- Use standard symbols, and understand the importance of a key

We will use this vocabulary:

map, plan, route, bird's eye view, key, symbols, cartography, cartographer, atlas

We will learn:

- A cartographer is someone who draws or produces maps.
- a key explains what a symbol shows

We will learn about significant people such as:

Gerardus Mercator (1512-1594)

A cartographer responsible for creating a world map that became the world's most widely recognized map. He also introduced the word 'atlas' to mean a group of maps.
