

Understanding of the World Activity – The World

Ellen found Princess Mirror-Belle in the mirror. She saw a picture of herself in the mirror and she imagined that she was talking to her. We call this picture a **reflection**. Reflections – find examples of reflections around your house or in the classroom. **Draw 3 things** that have a reflection and label them with words or a sentence.

Wellbeing Activity

Ellen was feeling sad, because she was feeling poorly with chicken pox. What could she do to make herself feel happy? If you were feeling sad, what could you do to make yourself feel happy? **Draw, paint or make a model** of 2 things you can do to make yourself happy, when you are feeling sad.

This week's additional activities are based on the story of "Princess Mirror-Belle" to link the learning with this week's Maths activities. If you don't have the book at home, you'll find the story here:

Understanding of the World Activity – People and Communities

This Sunday, we celebrate **Father's Day**. Princess Mirror-Belle imagined her dad as a king with a really long beard. Imagine your dad is a superhero! **Make a picture or card** for Father's Day of your dad as a superhero.
