Sunflower Newsletter

Another term has passed by very quickly! The children are becoming more confident in all areas and we are particularly pleased with how well their reading is coming on. Thank you all for your support at home.

It was lovely to speak with so many of you on our parent's consultations- as always if you have any questions or concerns please do let me know. You can contact me through the school office.

It was also lovely to see so many of you at our sharing afternoon on Friday. The children were so pleased to have you there and very proud to share their wonderful learning with you.

Maths- writing numbers

This week we will be revising how to write numbers. I will put some videos on Google Classroom showing how we write them along with the little rhymes we use to help remember. Please support your child to practice these at

Phonics- Red Words

I will not be updating the red words this week so that we can give the children time to become more confident with the words we have already covered. Please continue to practise the red words over the holidays so the children don't forget them!

Writing books

Today we have sent home a small writing book for the children to have at home. They might like to draw some pictures and write words or sentences. This is for you or your child to choose what to do with and is not something that is expected. The books do not need to come back in to school for me to check.

Summer Uniform

After the Easter holidays, children will be permitted to wear their Summer uniform or to continue wearing their Winter uniform (**not a mixture of both**). Before buying any items of Summer uniform please familiarise yourself with what is permitted.
