

What are the seven wonders of the world?

Knowing More, Remembering More

Remembering previous learning

What is the furthest you have travelled? On holiday, to another country, to the coast, to somewhere else in UK.

What country of the UK do we live in? We live in England

Why are buildings different in different places? Buildings are built with the materials you can get in that place. The buildings are built to suit the weather there.

How are buildings made in Timbuktu and Mali? Buildings are made of mud (baked in the sun). Some buildings are made of concrete and steel.

Where in the world are Beijing, Sydney and New York? Beijing is in China, Sydney is in Australia, New York is in North America.

What is a continent? A continent is a collection of countries.

In this unit children will...

- name, locate and identify characteristics of the seven continents and oceans
- use world maps, atlases and globes
- understand geographical similarities and differences when studying both human and physical geography
- identify the locations of hot and cold areas around the world
- use basic vocabulary to refer to physical and human features
- develop knowledge about the world.

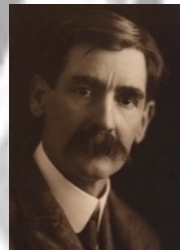

Key Learning Steps:

1. What are our local wonders?
2. Are mountains wonders of the world?
3. Which rivers are natural world wonders?
4. What are the ancient world wonders?
5. Which landmarks are new world wonders?
6. Week 6: Big Finish - Can we explain and describe wonders of the world?

Key Vocabulary:

Africa	Great Wall of China	opera house
Amazon	Asia	physical features
Antarctica	high-flyer	place of worship
arena	highland	rainbow
Asia	hill	ridge
Ayers Rock/Uluru	Hong Kong	rivers
Belfast	Hong Kong	rocks
Cardiff	hotel	rollercoaster
China	ice	roses
Christ the Redeemer	Lagos	San Francisco
Statue, South America	Lagos	sky
cliff	Locations:	snow
clouds	London	stadium
cold	long	Suez Canal, Africa
Congo	Mississippi Botanical	The Louvre Museum,
dark	garden	Europe
deadly	moor	trees
desert	mound	UK
Edinburgh	Mount Erebus	USA
Everest	mountain	Volga
flowers	museum	wide
freezing	Nigeria	wonder
friends	night	world heritage
Golden Gate Bridge	Nile	Yangtze
North America	North America	
	Oceania	

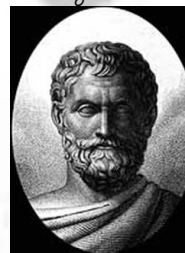

Key Geographers and Inspirational People:

Henry Lawson

Alexander Humboldt

Eratosthenes

Knowing More, Remembering More

Knowing more in Y2

What human and physical geographical elements there are in my local area and the UK? Parks, the river Thames, The Dartford bridge, Bluewater shopping centre, beaches on the Kent coast, Shops and houses.

What makes a 'wonderful' location special? Trees, flowers, mountains, oceans, people, animals.

What high places are in the world? Mountains

What is the world's highest mountain called? Mount Everest

What animals live on Mount Everest? Bar-headed goose, red panda, snow leopard.

How is a river different from a desert? Deserts are waterless, rivers have flowing water. It is hard to live in deserts. Not much grows in deserts.

What are some of the world's major rivers? Yangtze, The Nile, The Thames

What is an 'ancient' and old-world wonder? The Pyramids, The great wall of China.

What is a 'modern' world wonder? Golden Gate Bridge, Christ the Redeemer Statue, The Louvre Museum.

What are Hong Kong, San Francisco and Lagos? Big cities in different continents.

What would I see in Hong Kong, San Francisco and Lagos? Skyscrapers, lots of people, trains, buses, cars, restaurants.
