

MUSIC IN THE EARLY YEARS FOUNDATION STAGE

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas. The aim of this document is to help subject leaders to understand how the skills taught across EYFS feed into national curriculum subjects.

This document demonstrates which statements from the 2021 Development Matters are prerequisite skills for Music within the national curriculum. The table below outlines the most relevant statements, taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for Music.

The most relevant statements for Music are taken from the following areas of learning:

- Communication and Language
- Physical Development
- Expressive Arts and Design
