

Sunflowers' Newsletter

Term 3
W/C: 27.01.20

Dear parents and carers

Children are coming on brilliantly with their sentence writing in phonics lessons. The progress all children have made since September is remarkable. Please encourage your child to write simple sentences at home too, maybe to label a picture or model they have made, or maybe to write a card to someone. Please remind the children that we use a capital letter at the beginning of a sentence, that we need to leave finger spaces in between our words and that we put a full stop at the end of the sentence. Please also remind children to ensure they write on the lines on a page and to not make their letters fly!

Maths

This week in maths we looking closely at the numbers 6 to 10. Part of this exploration will include forming the numbers correctly. Please support us with this at home by encouraging your child to form numbers to 10 correctly. Please see the numbers below which show where to start and what direction to go when writing the numbers.

Maths Workshop

Just a reminder that our maths workshop will be held on Thursday 27th February at 2.45pm. Please put it in your diaries.

Food

This week we are finishing out topic on food by exploring the texts of Handa's Surprise and The Gingerbread Man. If you have a copy of these books, or could get copies from a library, please familiarize your child with them and encourage them to retell the stories in their own words.

Thank you for your continued support
Mrs Beckley and Mrs Kelly
