

# Sunflowers' Newsletter

Term 2  
W/C: 2.12.19

Dear parents and carers

Many thanks for providing your child with their costume for their Christmas production. The performance is this **Friday 6<sup>th</sup> December at 2pm**. The main doors to the school will be opened at 1.45pm to give parents and carers time to be seated before it starts. We look forwards to seeing you then.

## Phonics

All of the children have bought home sounds and words to learn. Please continue to support your child's development of reading by practicing these at home daily.

Many thanks to those parents who attended the phonics workshop last Thursday. We really hope that you found it useful, and you are using some of the ideas suggested, to help your child at home. If you did not attend the workshop, the power point we used has been added to the school website under **Children – Class pages – Yr R Sunflower Class – Autumn Term Information**.

If you have any further questions about phonics, please feel free to arrange a time to meet with us via the school office.

## Into the Woods

Our last text that we are continuing our woodland theme with this week is 'The Gruffalo.' We will be inventing our own Gruffalo character, retelling the story and writing speech bubbles for the characters in the story.

## Maths

This week in maths we will be learning the concept of 'one less.'

To support with this at home you could complete activities such as getting together a collection of toys and asking your child to gather a collection of toys that has **one less** than your collection.

## Christmas Dinner

Please be reminded to return your Christmas dinner form as soon as you can.

Thank you for your continued support  
Mrs Beckley and Ms Head
