

Sunflowers' Newsletter

Term 2
W/C: 25.11.19

Dear parents and carers

You should have all received a letter last week detailing the costume that we are kindly asking you to provide for your child for the nativity performance on Friday 6th December. Children in reception class will either be dressed as baubles or snowflakes, and will need either black or white clothing. When you have your clothing items ready, please send them into school in a named bag. The deadline to have these to us please is Friday 29th November.

Phonics

Last week was our phonics assessment week, and we are all extremely proud of the children in how well they are doing with learning their sounds and reading words. This week, some children will be moving onto set 2 sounds and will be writing short sentences involving the sounds they already know. Children who need further revision of set 1 sounds, will be going over them for the next few weeks.

Phonics
ee ur ow
wh y au

Please be reminded that the phonics workshop is this Thursday 28th November at 2.45pm. Please arrive at the main reception at 2.40pm where you will be met and escorted to the reception classroom.

Into the Woods

Our key text that we are continuing our woodland theme with this week is 'Stick Man.' We will be talking about the story, making and naming our own stick man, making a story map of the story and then will be retelling the story. We will be thinking about adventures that our stick man could go on.

Maths

This week in maths we will be learning the concept of 'one more.'

To support with this at home you could complete activities such as getting together a collection of toys and asking your child to gather a collection of toys that has **one more** than your collection.

Thank you for your continued support
Mrs Beckley and Ms Head
