

# Sunflowers' Newsletter

Term 1  
W/C: 7.10.19

Dear Parents and carers

For those of you who have returned your Tapestry permission forms, you should now have been sent an email from Tapestry requesting you to create a login. We can see from our records that many of you have completed this and we hope that you have enjoyed reading about different learning that your children have been doing in school. If you have returned your form and have not yet received an email or if you are having problems setting up your account, please do let us know and we are more than happy to assist. Please have a go at uploading your own observations of your child to us via Tapestry so that we can share their home learning at school.

## Phonics

Children are really enjoying their phonics lessons in school and are picking up the different sounds well. Please check the weekly newsletter and review the sounds that have been taught at the end of each week. This week we are going to be learning **p g o c** and **k**.

Thank you for your support  
Mrs Beckley and Ms Head

## Reading

Next week children will be coming home with a reading book and a reading record. Reading books at first will not have any words and will simply be picture books. This is to enable children to develop their vocabulary and story telling skills. Please work with your child on looking at the front cover and predicting what the story may be about, turning pages one at a time, and then telling the story to an adult, page by page. Please make a comment in your child's reading record each time they have 'read' with you.

## School Mass

A reminder that school mass is this Sunday at 11am. Children are encouraged to sit with staff at the front of the church. We look forward to seeing you there.
