

# prospectus

**This term's POWER Project is:**

**'Life on the Ice'**

**HAND IN BY: Tuesday 25<sup>th</sup> February**

**Choose 5 activities to achieve your**

**5 POWER points.**

***Tick off what you have completed to achieve your points. Remember to include evidence in your POWER project book!***

## **Develop your creativity:**

- ◆ Make a model of an igloo.
- ◆ Make a puppet of who might live in an igloo
- ◆ Draw 5 things you would need to live in one of the Poles
- ◆ Draw a picture of a person who lives in a Polar region. What do they wear? What will they need? Write labels or sentences about your picture.

## **Explore your locality:**

- ◆ What different homes are there where you live?
- ◆ *Create a scrapbook of photos of different types of homes.*

## **Explore your mathematical and scientific skills:**

- ◆ Make ice lollies by exploring different amounts of drinks.
  - create your own recipe
  - explore what happens when they are placed in the freeze
- ◆ Freeze some small plastic toys in ice cubes. How much do they weigh when they are frozen? What happens when they melt?

## **Extend your research skills:**

- ◆ Research the ways in which children live in Polar regions-how is it different to the way we live?
- ◆ Research the different types of homes people live in.
