

Butterfly Class Home Learning Weekly Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Oxford Owl e-book reading and Collins online reading books. If your child is confidently reading at their current colour please read books from the next colour.				
Maths	<p><u>Active Counting</u> 1 more 1 less Count in 2's, 5's 10's Number bonds for all numbers to 20 Doubles/halves of numbers</p> <p><u>Reviewing one more and one less</u></p> <p>Power point dated 29.6.20 Ask someone at home to ask you lots of one more/ one less questions. If you are confident try 2 more/2 less or even 5 more/5 less. https://www.topmarks.co.uk/learning-to-count/chopper-squad Have fun playing this game.</p>	<p><u>Active Counting</u> 1 more 1 less Count in 2's, 5's 10's Number bonds for all numbers to 20 Doubles/halves of numbers</p> <p><u>Recognising Coins</u></p> <p>I know you have looked at money but I wonder what you remember about it. What coins do we have? Can you still put them in order from the smallest to biggest value? Have a look at the power point and work through the questions. You can write in your books if you wish, but I am happy for you to complete it verbally if that is better for you. Power point dated 30.6.20</p>	<p><u>Active Counting</u> 1 more 1 less Count in 2's, 5's 10's Number bonds for all numbers to 20 Doubles/halves of numbers</p> <p><u>Recognising Notes</u></p> <p>Today you are looking at the different paper money that we have. Do you know any of them? Which has the largest value? Have a look at the Power point dated 1.7.20.</p> <p>Once you have done this I have set you a game to play on purple mash: money – coins pair's game.</p>	<p><u>Active Counting</u> 1 more 1 less Count in 2's, 5's 10's Number bonds for all numbers to 20 Doubles/halves of numbers</p> <p><u>Counting in coins</u></p> <p>Today you are looking at counting in coins.</p> <p>Power point dated 2.7.20 True or false challenge dated 2.7.20</p>	<p><u>Active Counting</u> 1 more 1 less Count in 2's, 5's 10's Number bonds for all numbers to 20 Doubles/halves of numbers</p>

Butterfly Class Home Learning Weekly Timetable

<p>English</p>	<p>English Once in a lifetime https://www.literacyshed.com/onceinalifetime.html Before you watch the video, I want you to predict what the story may be about. Once you have watched I want you to think about how the man was moving in his air ship. Gliding, sailing, quickly, calmly. In your book draw an image of the man in his airship and put those describing words into some sentences.</p>	<p>English Once in a lifetime https://www.literacyshed.com/onceinalifetime.html Today you are going to think about how you could modify or improve the man's airship. Are there any features you would add? Why? In your books draw the airship how you think it should look and explain your reason why.</p>	<p>English Once in a lifetime Today you are going to think about the animals that flew past the man. What were they? How would you describe them to someone else, without giving away what they were? Today you are going to pick an animal that you would like to see fly past the man but you cannot write what it is, you need to give out clues. I am happy for you to do this verbally with someone at home if you wish. If you would prefer you can write it down in your books. This is mine. Can you guess what animal is it? <i>A large animal with orange and black stripes flew gentle through the air. His four large legs moved as if he was swimming in the clouds. His mouth was wide and his white, pointy teeth were on show for everyone to see.</i></p>	<p>English Once in a lifetime Today you are going to think about what happened next. What happened to the man? The turtles? In your writing today you are going to write about what you think happened next. There is no right or wrong answer and all of your choices will be different. Purple mash Look at 2dos: create a story. Write me a short story about what happened next. You need to draw a picture too.</p>	<p>English Once in a lifetime Today you can the time to finish off your work from yesterday.</p>
<p>Sports Week Activities</p>	<p>Please complete these in which ever order you wish. Don't forget to email your scores in.</p>
