

# BRITISH VALUES

As part of our ongoing commitment to the British Values Curriculum and our unique *Rainbow Curriculum* here at St Anselm's, we invite you to read this story with your children. Your involvement is crucial in reinforcing these values and qualities at home, so please take a moment to explore the themes and talk about them together. Let's work hand in hand to inspire thoughtful conversations and help our children be good friends, deep thinkers and morally responsible citizens with an active voice, who are informed to make positive contributions to society.

Should stadiums be used for more than just football?

## In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

### Things to talk about at home ...

- > What is the closest football stadium to where you live? Is it ever used for things other than football?
- > Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- > Share your thoughts on the new stadium. Do you think it is a good idea?

## Which British Value?

# DEMOCRACY

We all have a say.

Our opinion and our vote matters.

### What can we learn from this?

It is important for big decisions, like building a new stadium, to involve local communities. By holding meetings and using surveys, everyone's voices can be heard.

## Rainbow Curriculum Link

COMMUNICATION AND COLLABORATION

### What can we learn from this?

Our Rainbow Curriculum helps us build important life skills—like how to communicate clearly and work well with others. By holding meetings and using surveys before decisions are made, people are **communicating ideas** and **listening to others**, making sure every voice is heard. This is collaboration at its best—working together to make fair and thoughtful choices. In school and beyond, these skills help us become respectful, confident team players who make a difference.

Democracy	Rule of Law	Individual Liberty	Mutual Respect	Tolerance
