

# Religious Education Judaism – Abraham and Moses Y1

Abraham is the father of the Jewish nation. It was he who answered God’s call to leave his home in Mesopotamia and journey to the unknown land that God promised him. God promised to make his descendants a great nation. Abraham helped people understand that there is only one God. An important descendant of Abraham was Moses. He was a leader who helped the Jewish people escape from the slavery in Egypt and journey to their promised land. Through Moses God gave his people the Ten Commandments to live by.
