St Anselm's Catholic Primary School is a voluntary aided school in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government, and seeks at all times to be a witness to Jesus Christ.

The school exists primarily to serve the Catholic community and children of a practising Catholic parent will always have priority, followed by those who do not practise. However, the Governing Body also welcomes applications from those of other denominations and religions who actively support the Catholic ethos of the school.

The Governors have agreed to admit into the reception class, in September 2025, a Published Admissions Number of 30 pupils without reference to ability or aptitude.

Children with an Educational Health and Care Plan (EHCP)

The admission of pupils with an EHC Plan is dealt with by a completely separate procedure. The procedure is integral to the making and maintaining of EHC plans by the pupil's home local authority. Details of this separate procedure is set out in the SEND code of practice. All children whose EHC Plan names the school will be admitted before any other places are allocated. As a result of this, the published admission number will be reduced accordingly.

The categories for admission are as follows:

1. Looked after or previously looked after Catholic children
2. Baptised Catholic children, in possession of a Certificate of Practice
3. Baptised Catholic children
4. Other looked after or previously looked after children
5. Children enrolled in the Catechumenate
6. Children who are members of Eastern Orthodox Churches
7. Children who are members of other Christian denominations
8. Children of other religions
9. Any other children

In the event of the school receiving more applications than the published admission number, places will be offered in rank order through the following criteria:

1. Looked after or previously looked after Catholic children

- 'Catholic' includes children who are baptised or received into the Catholic Church, children baptised or received into the Eastern Churches in union with Rome and children of members of the Ordinariate.

- A **'looked after child'** (LAC) means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions at the time of making the application to the school.
- A **'previously looked after child'** (PLAC) is a child who was looked after, but ceased to be so because they were adopted, or became subject to a child arrangements or special guardianship order including those Catholic children, who appear to the Governing Body, to have been in state care outside of England and who ceased to be in state care as a result of being adopted or in the case of previously looked after Catholic children, ceased to be because they became subject to an adoption, child arrangements or special guardianship order.
- A copy of the child's baptism certificate or evidence of reception into the Catholic Church will be required.

2. Baptised Catholic children, in possession of a Certificate of Practice (CoP)

- **'Catholic'** includes children who are baptised or received into the Catholic Church, children baptised or received into the Eastern Churches in union with Rome and children of members of the Ordinariate.
- A **CoP** is a form which is to be signed by the parish priest of the parish where the child (or parent or any persons who legally have parental responsibility for the child) attends Mass. This form can be obtained from the school website or by contacting the school.

3. Baptised Catholic children

- **'Catholic'** includes children who are baptised or received into the Catholic Church, children baptised or received into the Eastern Churches in union with Rome and children of members of the Ordinariate.
- A copy of the child's baptism certificate or evidence of reception into the Catholic Church is required.

4. Other looked after and other previously looked after children

- A **looked after child** (LAC) means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions at the time of making the application to the school.
- A **'previously looked after child'** (PLAC) is a child who was looked after, but ceased to be so because they were adopted, or became subject to a child arrangements or special guardianship order including those children, who appear to the Governing Body, to have been in state care outside of England and who ceased to be in state care as a result of being adopted or in the case of previously looked after children, ceased to be because they became subject to an adoption, child arrangements or special guardianship order.
- Applications in this category may need to be supported by documentary evidence confirming the child's status, such as a signed letter from the child's social worker or former social worker confirming their current or previous status, an adoption, child arrangements or special guardianship order. In the case of children adopted from state care outside England (as defined above), evidence of having been in state care outside England and of being adopted will be required. Ideally, this should be

received by the application deadline in the normal admission round. When assessing the evidence provided, the DfE's guidance will be followed.

- Where the Virtual School Head has already verified the child's status, parents should let the Local Authority/School know, as there should be no need for further evidence to be provided in this case.

5. Children enrolled in the catechumenate

- **'Enrolled in the Catechumenate'** refers to a person who is preparing to become a Catholic usually by way of the Rite of Christian Initiation of Adults and Children of catechetical age. Younger children may be initiated through an adapted version sometimes referred to as the Rite of Christian Initiation of Children (RCIC)
- Evidence of enrolment in the catechumenate will be required.

7. Children who are members of other Christian denominations

- **‘Other Christian denominations’** means: children who belong to other churches and ecclesial communities which, acknowledging God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.
- All members of **Churches Together in England** and of CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis. A full up to date list of Churches that are members of Churches Together in England (CTE) can be accessed from the CTE website - <http://cte.org.uk/>
- **‘Membership’** means being a member of a group
- A copy of the child’s baptism certificate (or dedication) will be required.

8. Children of other religions

- **‘Children of other religions’** means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - a. A religion which involves belief in more than one God, and
 - b. A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

- **‘Membership’** means being a member of a group.
- A letter from the minister or faith leader confirming membership will be required.

9. Any other children

- This category will include all children who do not fall into any of the categories above.

Tie breaker

Where there are more applications than places remaining in any of the above categories, the order in which places will be allocated will be determined by the following:

i. Siblings

A brother or a sister on the school roll at the time of admission. Evidence of the relationship may be required. The governors will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school’s published admissions number.

ii. Social/Pastoral/Medical

Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided, at the time of application, by an appropriate professional authority (eg. qualified medical practitioner, education welfare officer, social worker or priest).

iii. Distance from home to school.

Evidence of residence may be required. Distances are provided by the Local Authority who use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school, the place will be decided by the drawing of lots.

'Home' refers to the permanent home address at which the child lives for the majority of their time and with the parent who is in receipt of child benefit.

Admissions procedure

Applicants will need to complete the Local Authority's online Reception Common Application Form (RCAF). This can be found at <https://kent.cloud.servelec-synergy.com/Synergy/Parents/default.aspx>. If parents are unable to apply online, email kentonlineadmissions@kent.gov.uk for an alternative method. This should be completed no later than the closing date published by the Local Authority.

The School office will also require sight of the following original documents:

- Certificate of Practice [Admissions criteria 2]
- Baptism certificate [Admissions criteria 1,3,6,7]
- Evidence of enrolment in the catechumenate [5]
- Evidence of dedication if a baptism certificate is not available [Admissions criteria 7]
- Letter from minister or faith leader confirming membership [Admissions Criteria 8]
- Any supporting medical evidence, where appropriate

Offers of places will be sent to parents on the common offer date as notified by the Local Authority. When a parent accepts their child's place, the school will require sight of the following documents:

- 2 household bills as proof of residence
- 1 document confirming your child's address
- 1 document confirming your child's date of birth

Appeals

Where a parent's application for a place is unsuccessful, they may appeal to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeals Clerk at the school address. Parents have the right to make oral representations to the Appeal Panel.

Infant classes are restricted by the legislation to 30 children. Parents should be aware that an appeal against refusal of a place in an infant class may only succeed if it can be demonstrated that:-

- a. the admission of additional children would not breach the infant class size limit; or

- b. the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- c. the panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Deferred Entry and Part-Time Attendance in Reception Year

All children are entitled to a full-time place in Reception Year in the September following their fourth birthday. Children do not, however, reach compulsory school age (CSA) until one of three prescribed dates following their fifth birthday as follows:

Born on or between:	Prescribed date the child reaches CSA:	Must start school full time no later than:
1 September and 31 December	31 December	1 st January
1 January and 31 March	31 March	1 st April (usually following the Easter Holidays)
1 April and 31 August (summer born children)	31 August (a whole school year later)	1 st September (starting from Year 1 – see outside of normal age group)

Parents have a right to decide that their child will not start school until they reach CSA, which is known as 'deferred entry' (or 'delayed entry' in the case of 'summer born children' - see below).

Where parents want to defer their child's entry and/or choose for them to attend school part-time, they should apply for a place in the normal way. Once they have accepted the offer of a place they must then notify the School of their decision, preferably in writing.

Where parents choose to defer entry until later in the school year, the School will hold their place in Reception Year for them for a maximum of two terms (i.e. until the Easter end of term holiday). Places cannot be deferred or retained beyond this point and will be offered to another child.

Parents also have a right to decide that their child will attend school part-time until they reach CSA. However, it is for the school to determine the part-time hours.

Admission of children outside of the normal age group

Parents seeking a place for their child outside of their normal age group, because their child may be a summer born child or have experienced ill health may prefer not to send their child to school until the September following their fifth birthday. They can request that they are admitted out of their normal age group.

Requests for admission outside of the normal age group should be made in writing to the Headteacher as early as possible in the admissions round associated with that child's date of birth to allow the Governing Body sufficient time to make a decision before the closing date.

Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. If the school agrees to accept a deferred application for entry into Reception Year the following year, the application for the normal point of entry will be cancelled and the place will be offered to a different child.

Parents are not expected to provide evidence to support their request to defer their application, however, where provided, it must be specific to the child in question. This might include medical or Educational

Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, however, failure to provide this may impede a school's ability to agree to deferral.

Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of their decision and to which year group the child should be admitted, the governors will set out clearly the reasons for their decision.

Deferred applications must be made via paper CAF to the LA, with written confirmation from the school attached. Although requests for admission outside the normal age group may be agreed in principle, it does not guarantee that a place will be offered the following year as deferred applications will be processed in the same way as all other applications for the cohort in the following admissions round. Offers will be made in accordance with the school's oversubscription criteria.

While parents have a statutory right to appeal against the refusal of a place at a school for which they have applied, this right does not apply if they are offered a place at the school, but it is not in their preferred age group.

Late Applications

Any late applications will be considered by the Governors' Admissions Panel, in the event of there being any available places using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

Waiting List

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on a waiting list. The waiting list for Reception Year, which will be maintained until 31st December, will be operated using the same admissions criteria listed above.

Where, in any year, the school receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the school and it will be open to any parent to ask for their child's name to be placed on the waiting list following an unsuccessful application. Places from the waiting list will be offered in the priority set out above, not in the order of the date applications are made. The waiting list will be re-ranked each time a child is added or removed and before the offer of any place.

Parents of children already on the waiting list will be contacted every September to establish their wish to remain on the list. The school will request documentation relevant to the application to be provided in order to assist with the ranking of the waiting list as places become available.

Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

Fair Access Protocols

The school works in accordance with the In-Year Fair Access Protocol held by the Local Authority. Should a vulnerable child within the protocol require a place at the school, they will take precedent over any child on the waiting list.

In-Year Application Process

Parents can apply for a place for their child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose EHC plan names the school will be admitted.

To apply for an 'In-Year' place at St Anselm's, parents must complete an 'In-Year' application form, which can be found on the school website.

The School office will also require sight of the following original documents:

- Certificate of Practice [Admissions criteria 2]
- Baptism certificate [Admissions criteria 1,3,6,7]
- Evidence of enrolment in the catechumenate [5]
- Evidence of dedication if a baptism certificate is not available [Admissions criteria 7]
- Letter from minister or faith leader confirming membership [Admissions Criteria 8]
- Any supporting medical evidence, where appropriate

The governors will use the same criteria, which can be found in this policy, to rank the application.

It is hoped that parents will be notified in writing of the outcome of application within 10 school days of receipt of the application. In any event, parents will be notified of the outcome in writing within 15 school days of receipt of the application.

If there is a place at the school an offer will be made by the school on behalf of the Governing Body. Arrangements will be made for the child to be admitted and to start school as soon as possible.

In the event that a place cannot be offered, parents will be provided with the reasons why the admission of their child would prejudice the efficient education of others, and/or the efficient use of resources, so that they can properly consider whether to exercise their right to appeal. Parents will also be offered the opportunity of placing their child's name on the waiting list. This does not prevent them from exercising their right to appeal against the decision not to offer a place.

Review and determination of the School's admission arrangements

The term '**admission arrangements**' means *"The overall procedure, practices and oversubscription criteria used in deciding the allocation of school places including any device or means used to determine whether a school place is to be offered"*. The admission arrangements therefore include not only this policy, but all other admission related documents and any other published information about the School's admission processes.

Under the Code, the Admission Authority for a school, which in this case is the Governing Body, must formally determine the admission arrangements for the next intake at that school **every year on or before 28 February**.

Where no changes (other than changing dates/deadlines) are proposed, there is no need to go to consultation. However, where changes are proposed (other than a proposed increase in PAN), the Governing Body must carry out a 6 week statutory consultation in accordance with the Code between 1 October and 31 January ahead of determination of the admission arrangements.

Where no changes have been proposed in the intervening period, the Governing Body must in any event consult on the admission arrangements every 7 years.

Once determined on or before 28 February, the School's admission arrangements for that intake must be published, and cannot be varied except in very limited circumstances to correct a mistake or give effect to a decision of a Schools Adjudicator.

The admission arrangements for the September 2025 intake were determined by the Governing Body at their meeting on **22nd November 2023**. They will be reviewed again early in the Autumn term 2024 for the next intake.
