This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" 2020 and 'Sexual violence and sexual harassment between children in schools and colleges' guidance. The setting has also read Childnet's "Cyberbullying: Understand, Prevent and Respond: Guidance for Schools" and has regard for www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying , Updated to include Keeping Children Safe in Education (KCSIE 2024) and Equality Act 2010 Section 149 (Public Sector Equality Duty).

1) Policy objectives:

- This policy outlines what St Anselm's School will do to prevent and tackle all forms of bullying.
- St Anselm's is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

- This policy links with several school policies, practices and action plans including:
 - Behaviour policy
 - Complaints policy
 - Child protection policy
 - Confidentiality policy
 - Online safety and Acceptable Use Policies (AUP)

3) Links to legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010
 - The Children Act 1989
 - Protection from Harassment Act 1997
 - The Malicious Communications Act 1988
 - Public Order Act 1986

4) Responsibilities

- It is the responsibility of:
 - The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - Governors to take a lead role in monitoring and reviewing this policy.
 - All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
 - Parents/carers to support their children and work in partnership with the school.
 - Pupils to abide by the policy.

5) Definition of bullying

- Bullying can be defined as *“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”*. (DfE “Preventing and Tackling Bullying”, July 2017)
- Bullying can constitute child-on-child abuse or safeguarding concerns requiring DSL referral (KCSIE 2024)
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; peer isolation (excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

- Adults will listen carefully to children who report bullying, reassuring them that their concerns will be taken seriously. Adults will avoid blame, explain the next steps clearly.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The headteacher/Designated Safeguarding Lead (DSL)/ Behaviour Leader or another member of the Senior Leadership Team will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and the school will respond to this in line with our school policies. If required, the DSL will collaborate with other schools.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

Definition

Cyber-bullying takes place online, such as through social networking sites, messaging apps or gaming sites. Like other forms of bullying, it is the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. (See also the school behaviour policy.)

Preventing and addressing cyber-bullying

To help prevent cyber-bullying, we will:

- Ensure that pupils understand what it is and what to do if they become aware of it happening to them or others.

- Ensure that pupils know how they can report any incidents and are encouraged to do so, including where they are a witness rather than the victim.
- Actively discuss cyber-bullying with pupils, explaining the reasons why it occurs, the forms it may take and what the consequences can be.
- Find opportunities to use aspects of the curriculum to cover cyber-bullying. This includes personal, social, health and economic (PSHE) education, and other subjects where appropriate.
- Ensure staff are up to date with related training

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Adults will listen carefully to children who report bullying, reassuring them that their concerns will be taken seriously. Adults will avoid blame, explain the next steps clearly.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the DFE guidance document 'Searching, Screening and searching and confiscation at school
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.
