

# Textiles

## Templates and Joining

Y2

In this unit, we will design, make and evaluate a puppet to perform a play.

### Knowing More Remembering More:

#### Remembering previous learning

**What is a prototype?** A prototype is a model which allows designers to try out ideas

### Skills

I will be able to:

#### Design:

- 2.1 Use drawings to record ideas as they are developed.
- 2.2 Add notes to drawings to help explanations.
- 2.5 Talk about how they will make their product

#### Make:

- 2.7 Explain which materials they are using and why.
- 2.8 Select and name the tools needed for making.
- 2.9 Use suitable finishing techniques

#### Evaluate:

- 2.11 Explore existing products and investigate how they have been made.
- 2.14 Say how well their product meets the design criteria
- 2.15 Suggest how their finished product could be improved.

### Vocabulary

#### Technical vocabulary

Names of existing products, joining and finishing techniques, fabrics and components; template, pattern pieces, mark out, join, decorate, finish

#### Process vocabulary

features, suitable, quality mock-up, design brief, design criteria, make, evaluate, user, purpose, function

Names of tools, equipment and materials used

### Inspiring Individuals

Jim Henson

Harry Corbett

### Techniques:

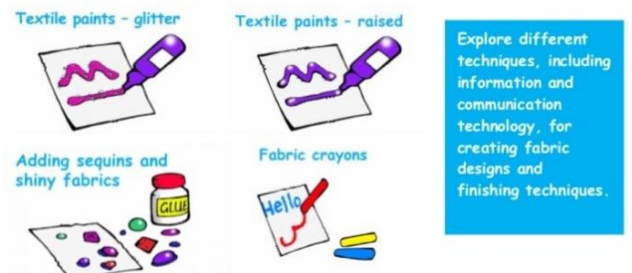

Three alternative ways of using templates and simple pattern pieces

### Exploring and evaluating joining techniques

### Finishing techniques

### Knowing More Remembering More:

#### Knowing more in Y2

**What is a glove puppet?** A glove puppet fits over the hand, and the fingers operate its head and arms.

**What is a seam?** A seam is a row of stitches joining two pieces of fabric.

**What is sewing?** Sewing is when two pieces of fabric are joined with stitches.

**What is a template?** A template is a shape drawn to assist in cutting out shapes.

**How can fabrics be joined together?** Fabrics can be joined by stapling, gluing, safety pins, pinning, and sewing.

**What are the different types of stitches?** Over sew stitch and running stitch can join two pieces of fabric together.
