Sunflowers' Newsletter

The children have settled back to school very well. They have amazed us with everything that they remember! They have been getting to know each other again by playing lots of games and playing together with some new toys. There are some update pictures in the Spring term learning section of our class page.

Story

Over the next couple of weeks we will be exploring the story of 'The Gingerbread man'. We will use puppets, story maps and role play to help us retell the story and develop our own stories.

Phonics

We will continue practising set 2 sounds using ditty books for our reading and writing.

New red words for this week will be added to the video on Google Classroom. Please continue practising these words.

Maths

For the next few week we will be using the numberblocks resources from BBC to consolidate all that the children have learned so far in maths. This week we are concentrating on number bonds to 5, adding 1, numbers 6 and 7. There are fantastic games and resources to use at home available from <https://www.bbc.co.uk/cbeebies/shows/numberblocks>

PE

A reminder that PE is going to be outside this term. While it is still cold, please provide your child with a tracksuit to wear outside. PE will take place every Friday; PE kits should only come to school on that day.

Book bags

Please only send a book bag in with your child. The bags are stored in boxes and unfortunately we don't have space for rucksack style bags.

Water bottles

Make sure that your child has a named water bottle at school every day.

Thank you for your continued support.
