

Literacy Heritage

We will look at different versions of the traditional tale 'The Three Billy Goats Gruff'.

During this we will:

Use Rocket Retriever's skills to find links and similarities in the different versions, and to identify the best materials for a solid bridge.

Use Dark Decoder's skill to look at new vocabulary in the different versions.

Top 5 Linked Texts

Visual Literacy

We will read the 'Robot and the Bluebird' by David Lucas.

During this we will:

Use Crimson Clue Hunter to discuss the feelings of the main character, the robot, based on the events that have happened to him.

Use Phantom Predictor's skills to come up with and plan different ideas on what might happen next.

Use Dark Decoder's skills to be able to read and understand new vocabulary.

Write short paragraphs to describe characters and settings in the story, including materials used to make a nest.

Feature Focus

Developing handwriting including having capital letters which are taller than lower case letters and orientating letters correctly

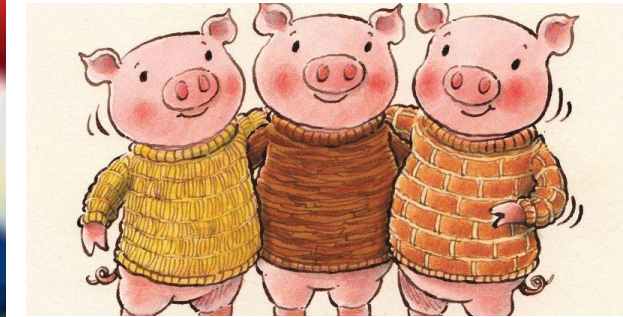

Writing sentences which can be clearly understood and include correct punctuation

Sequencing sentences to help texts flow and to order information for the reader

Use of simple adjectives to begin to expand description

Comprehension

We will listen to and read other traditional tales such as 'The Three Little Pigs' and 'Little Red Riding Hood'.

During this we will:

Use Sequencing and Summarising Shadow to summarise and compare the main themes of traditional tales.

Use Rocket Retriever to identify instructions that characters are given, and the best materials used for building houses.

Use Phantom Predictor's skills to work out what will happen next.

Non-Fiction

We will look at the features of instructional texts, especially for building and crafting models.

During this we will:

Use Sequencing and Summarising Shadow's skills to order instructions so they can be followed.

Use Dark Decoder's skills to identify and use the key words used in instructions.

Write a short set of instructions on how to build a model house.
