

**In the event of a child needing to self-isolate, class teachers have put together some home learning activities for children to complete.**

### Year 1

**Please use the following websites:**

- Numbots
- Purple Mash – maths games, phonics, reading.
- Top marks – Hit the button - doubles, halves, number bonds, 1 more and 1 less
- Oxford owl - reading
- You tube – brain break dances for kids and Joe Wicks 5 minute workouts
- Phonics play – these games support the children to read a range of real words and alien words.
- BBC KS1 Supermovers website

**Other activities to do:**

- Go out for a walk or look out of the window and draw pictures of what you saw.
- Bake a cake/biscuit or help with the cooking at home. Write a list of ingredients used and instructions on how to make the recipe.
- Keep a daily diary of things that you have been doing.
- Go on a 2D and 3D shape around your house. Make a list of the shapes that you have found.
