

Title: India

Year 2

Foundation Subjects

History, Geography and Citizenship

- Children will use a range of geographical skills to help them investigate the environments in India and consider how animals and communities adapt to these environments.
- Pupils will select and use appropriate ways of presenting information to help them investigate places and environments.
- Children will make comparisons between their own locality and that of a non-European country.
- Children will describe the physical and human characteristics of an area by referring to regions, countries and continents and consider how similarities and differences in environments affect the lives of people who live there.

Art and Design and Design Technology

- Children will use symmetry to create traditional Rangoli Patterns.
- Pupils will use line and shadow to create accurate drawings.
- Children will develop their own ideas and use a range of materials.
- Pupils will design, amend and evaluate their own ideas and products.

Personal Development

Spiritual

Children will be introduced to the idea that different societies have different beliefs and that these can be affected by the environments they live in.

Social

Children will work together collaboratively when designing, making and performing. Children will communicate findings to others and showcase their learning our celebration event.

Music, Languages and Physical Education

- Children will play a range of different rhythms on a drum and use it to accompany music and singing.
- Children will learn simple traditional dance moves from another culture.
- Children will learn the rules of cricket and apply them in the context of a team game.

Moral

Children will be taught to think of others, listen well to others points of view and try to imagine others' points of view, especially those who live in difficult circumstances.

Cultural

Pupils will consider how communities adapt to hot or cold environments. Children will investigate differences in housing, food, and clothing and say how these are influenced by where they live.

Computing

- Pupils will search for and use information from a range of sources and make decision about the usefulness of that information.
