

Develop your creativity:

- ♦ Make a model Hindu temple
- ♦ Design your own Indian restaurant - show the front and the interior (inside).
- ♦ Cook some traditional Indian food such as samosas, onion bagees, naan bread or Indian sweets (e.g. barfi).

Extend your research and ICT skills:

- ♦ Find out what Indian's in your local area do and where they go for food, recreation, faith, shopping (i.e. to buy clothes).
- ♦ Find out about a Hindu temple in your area.
- ♦ Find out some greetings that Indians use

This half term's POWER Project is:
'India in Our Local Area'

HAND IN BY: Friday 20th March 2020

Choose 5 activities to achieve your

5 POWER points.

Tick off what you have completed to achieve your points. Remember to include evidence in your POWER project book!

Explore your mathematical skills:

- ♦ Get an Indian take away menu and choose the items you would order. Calculate the cost of the meal you would buy!

Explore your locality:

- ♦ Visit a local Indian restaurant of take away and try some of the food! Make notes to say what you ate and if you enjoyed your experience
- ♦ Visit a Hindu temple in your area.
- ♦ Visit your local supermarket and investigate the Indian foods that are available. Tip: look down the 'World Foods' aisle!
