# Sunflowers' Newsletter

We hope you all had a lovely break at half term. The children were full of exciting stories about the wonderful things that you did together during the holidays.

We are now in our FINAL term! Our focus this term is 'Keeping Healthy'. Please see the Summer term information page for an outline of the topic and of course this weekly newsletter will also give you more information week to week.

## Story

This week we will be learning about how to keep healthy by eating healthy foods and exercising. We will be sorting foods in to healthy and unhealthy and thinking about how we can increase our heart rate during exercise. You can support your child at home by helping them to find the healthy foods in the house.

## Maths: Find my Pattern

This week we will be focusing on doubling. You can support your child with this by getting them to match your number eg. show 4 fingers they show 4 now we have 8...double 4 is eight. Show me double 2- they can show 2 from each hand to show 4 fingers. Build a tower of cubes and children do the same... repeating the same language.

## Relationship Education: Created to Love Others

We are starting Module 2 of the Live Life to the Full Programme called 'Created to Love Others. The first unit helps children to understand why the Bible is so special to Christians.

## **General Notices**

Now that the weather has gotten hotter please send your child to school with a sun hat (make sure that their name is on it). Suncream should be applied before school and not sent in with the children.

Please double check that children's names are still in their clothing. Some names may have faded in the wash. Also check that it is the correct name in the clothes, we can usually figure out siblings but cousin or family friends are a bit trickier!

If anyone has any unfinished rolls of wallpaper or lining paper that you don't need, we would happily take them off your hands. They are very useful for our Write Dance and we are just running out. If you have any please bring them to the school office. Thank you.

**Thank you for your continued support.**
