

# Europe

A task setting PowerPoint Pack  
about Europe.

There are 44 countries in Europe. There are some small countries which are part of both Asia and Europe.

- The biggest country in Europe is Russia. However, some parts of Russia are in Asia.
- The smallest is Monaco.

# THE WEATHER IN EUROPE

In **Northern Europe** summers are cooler and winters are longer and colder, with heavy snowfall.

**Eastern Europe** is also cold in winter, but summers are frequently hotter than in the west.

**Mediterranean region of Europe** typically experiences hot, dry summers and mild, wet winters.

# Your Challenge!!!!

Choose a country in Europe.

Find out the answers to these questions
