

Sunday 19th July, 2020

Hi Daisies,

Mrs Snowden here for the last time this year!!!! I hope that you and your families are all safe and well and enjoying the current good weather.

Have a look at the **Week 14 Timetable**

All the activities for the next few days are on 'Purple Mash'

There are 3 Maths activities, 3 English activities, 3 Art activities and 3 Maths games to play. Have fun with these.

Well.....we've made it to the end of the school year and I think that we'll all agree that it's been a strange one! Well done to you all for working so hard at home and well done to all the mums and dads for taking over the teaching role. I know there has been lots of 'ups and downs' but we've got there in the end! Hopefully things will be more settled when you come back in September and I know you're all going to be fabulous in Year 3 with Miss King. Please don't worry over the summer...Have a good rest and have lots of fun over the holiday.

Parents - Thank you for all your support this year and for e-mailing your comments regarding your child's school report. A massive thank you for the cards and gifts that have been sent into school. You are very generous x

Children - Have a wonderful summer with your families and try not to worry about coming back to school. Everything will be ok - Lots of great things to look forward to!!! Take care and I'll see you all soon xxxxxxxxxx

Mrs Snowden x
