

Sunday 28th June, 2020

Hi Daisies,

Mrs Snowden here! I hope that you and your families are all safe and well. Have a look at the **Week 11 Timetable** - Check the activities carefully and remember to stick to the timetable so that you are doing a range of activities each day.

Afternoons this week are for **Virtual Sports Day** activities. Try to do 2 activities each day and fill in the score sheet. E- mail this to the office so that we can add your points to your continent.

There is a power point with all the instructions.

Maths – There are 3 Maths activities that begin with a short teaching video. To watch these videos you need to follow this link-

<https://whiterosemaths.com/homelearning/year-2/>

(They videos are in the Summer Term/ Week 10 / W.C 29th June folder)

After watching the teaching video there is a worksheet to complete. The questions become steadily more challenging as you go through them. Do as many as you can and then mark your own work using the answer sheets that come after the questions. The videos are -

Lesson 1 – Measure mass in grams

Lesson 2 – Measure mass in kilograms

Lesson 3 – Compare volume/capacity

The Reasoning activities are the same as last week. There are 14 questions altogether so do 7 questions (slides 2-8) on Tuesday and 7 on Thursday (slides 9-15). Use the ANSWER power point to mark your Reasoning work. Check to see where you made mistakes in any that you get wrong and try them again.

Spelling – There are 16 new spellings. The activities are -

Monday – 8 new words - Look, cover, write, check; **Tuesday** – An activity to practise the words; **Wednesday** – 8 more words - Look, cover, write, check; **Thursday** – An activity to practise these words; **Friday** – Spelling Test (Make a note of any of them that you get wrong and keep working on them)

English – There are a range of English activities in a power point on a web site called 'Pobble'. You need to follow the link below to access this power point.

<https://app.pobble.com/lessons/preview/a3b798f0>

On the timetable I have identified which days you should do each activity. These are also indicated on the power point.

Keep up to date with the **'Purple Mash'** activities and don't forget to leave me messages and check your rewards. If I set a 're-do' activity, I want you to have another try. If you still find it tricky, ask someone to help you.

Good luck with all the **'Virtual Sports Day'** activities. Don't forget to e-mail your scores to the office.

Keep working hard, be superstars for your parents and I will see you all very soon.

Mrs Snowden x
