Personal Development		
Spiritual	Social	
Be introduced to the idea that different societies have different beliefs and that these can be affected by the environments they live in.	Work together showing they can listen to others opinions and negotiate to create a joint end result.	
Moral	Cultural	
Be taught to think of others, listen well to others' points of view and try to imagine others' points of view, especially those who live in difficult circumstances.	Consider how communities adapt to hot or cold environments. Investigate differences in housing, food, and clothing and say why these are influenced by where they live.
