

Dear Parent/Carer,

Your child has access to Purple Mash, a whole world of fun and exciting learning opportunities in one safe place.

What is Purple Mash? Purple Mash is a comprehensive suite of online learning tools and content, designed to be used by Primary aged children in the classroom and at home.

Find out more here: <https://2simple.com/parents>

What should you do first?

-To begin with, it's a good idea to log in to Purple Mash with your child. We suggest the following: -Familiarising yourself with the menu icons.

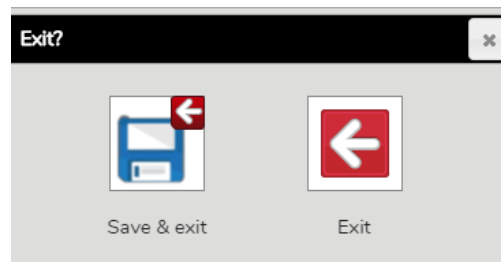

- Looking at any set tasks that have been given to your child (2Dos)
- Exploring the grammar, maths and spelling activities which match to the National Curriculum
- Play one of many fun, educational collaborative games such as 2Race –
- Delve into the Science area and find out about all the areas of Science it covers –
- Investigate the Topics area to support securing their knowledge of the wider curriculum
- Tour the Computing area trying out some of the tools such as 2Code, 2Go and Logo
- Get creative in the Tools section, from making an animation to building a printable 3D model.

2Dos

Work set by your child's class teacher will be in their 2dos.

Click on a 2do task and select start to begin it.

If a longer task is set that may be done over several days, make sure your child selects save and exit when clicking on the exit arrow in the red box.

When children have completed tasks there will be an option to 'hand in'.

Once this is done the task is sent to the teacher.

If you have any questions, please contact your child's class teacher in the first instance.

Happy Purple Mashing
