

Science

Teeth

1. Watch BBC Bitesize
www.bbc.co.uk/bitesize/topics/z27kng8/articles/zsp76yc
2. Using a mirror look at your teeth and see the differences in the teeth from the front to the back.
3. Either draw your teeth and label them OR get some help to make playdough and make a model of the teeth along the bottom of your mouth.
www.youtube.com/watch?v=dh2El0Ehy0w (You won't need to glue the teeth in)
5. Watch the powerpoint lesson on teeth.
- 6 . Fill in the activity sheets . Choose from sheet 1,2 or 3. And mark your work with the given answer sheet.
